

A LITTLE REDEMPTION - LYRICS

A little more kindness
 A little less creed
A little more giving
 A little less greed
A little more smile
 A little less frown
A little less kicking
 A man when he's down

A little more 'we'
 A little less 'I'
A little more laugh
 A little less cry
A little more flowers
 On the path of life
Fewer on the graves
 At the end of the strife

A little more Love
 A little less hate
A little more thought
 A little less waste
A little more sunshine
 A little less rain
A little more seeing
 The good in people again

A little more light
 A little less dark
A little more together
 A little less apart
A little more hope
 A little less despair
A little shining light
 That follows everywhere

A little more dreaming
 A little less nightmare
A little more peace
 A little less warfare
A little more tolerance
 Love is love
A little redemption
 For everyone of us
A little redemption
 For everyone of us
