

## **Where the Blue Train Goes**

Written by Danni Nicholls and Billy Livsey

You left me at the station just gone nine  
We kissed goodbye for the very last time  
You drove away, I called out to you  
Now I don't know what I'm gonna do

Ooh I hear the train coming  
Makes me cry when the whistle blows  
Ooh I got a tear stained ticket  
I don't know where the blue train goes

Press my head against the window as the world goes by  
Thinking this is the beginning of the rest of my life  
Try to move forward left my heart behind  
And its too late now to change my mind

Ooh the train keeps rollin'  
Makes me cry when the engine slows  
Ooh I got a tear stained ticket  
I don't know where the blue train goes

I'm riding on the blue train  
(I don't know where the blue train goes)  
You left me crying in the pouring rain  
(I don't know where the blue train goes)  
Will I ever see your face again?  
(I don't know, I don't know)

Ooh the train keeps rollin'  
Makes me cry when the whistle blows  
Ooh I got a tear stained ticket  
I don't know where the blow train goes

Ooh the train keeps rollin'  
Makes me cry when the engine slows  
Ooh I got a tear stained ticket  
I don't know where the blow train goes

You left me at the station just gone nine  
I'm miles and miles on down the line  
Makes me cry when the whistle blows  
I don't know where the blue train goes

I don't know where that blue train goes
